

Our Philosophy

At CABLENET, we believe in building lasting relationships with our customers through providing quality services, exceptional customer support, and innovative solutions to your engineering needs.

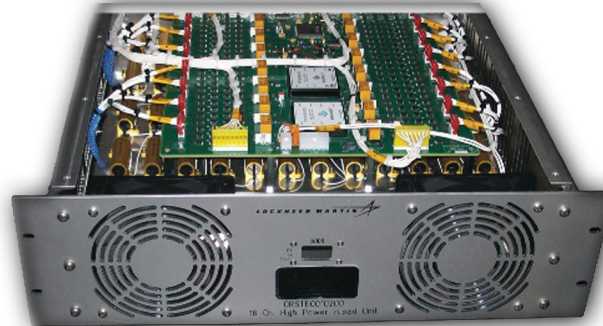

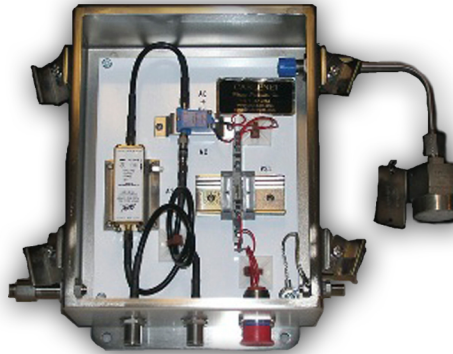

Our Customers

About Us

CABLENET Wiring Products, Inc. is a WOSB and AS 9100:2009 and ISO 9001:2008 certified contract manufacturer, supplying the Aerospace, Aircraft, and Military industries with quality products and services for over 22 years. CABLENET specializes in turnkey applications for GSE, including Test Tooling Design, Manufacturing, and prototyping to customer specifications. Our facility features state-of-the-art equipment, utilized to manufacture products of the highest level of quality, with quick delivery, at reasonable prices.

Promises to Our Customers

- The highest standards of quality, materials, and service.
- Cost effective and reliable products.
- On-time delivery.
- Ensured zero defect quality through a statistically monitored and controlled manufacturing process, using the latest procedures and trained technical staff.

Our technical staff is trained and certified in IPC/WHMA-A-620, NASA 8739.4, and J-STD-001 standards.
